

The COUNTY HIGH SCHOOL *Leftwich*

Achieving Excellence

Principal Mr M Snelson BSc (Hons), PGCE, MSc

18th September 2020

Year 9 Specialist Rooms

Dear Parent/Carer,

Having completed the third week of term already, I'd like to take this opportunity to contact you to express how proud we are of our students, your sons and daughters, and the way that they have embraced the opportunity of being back in school.

Despite the challenge of new ways of working, where lessons are all conducted within a year zone bubble, our students have consistently been ready to learn and proved themselves respectful and safe with each other and with staff.

Now that students and staff are comfortable with the new arrangements, we are pleased to announce that from Monday 21st September Year 9 students will begin to work in specialist rooms for Art, Creative Computing and Media and Design Technology lessons. This will further strengthen the curriculum content that we provide.

Students will be able to access the specialist rooms without going into another year group's zone, maintaining the year group bubble. It will have the added benefit of reducing congestion within the Year 9 zone as students move between lessons.

Staff will supervise all student movement and will continue to ensure that enhanced cleaning of rooms and materials maintains hygiene protocols and maximises safety.

We look forward to students continuing to achieve excellence.

Yours faithfully,

Mr R Warburton

Vice Principal (Quality of Education)
