

18th March 2020

The
COUNTY
HIGH SCHOOL
Leftwich

Dear Parent / Carer

As I'm sure many of you are aware, this evening, the Government has announced that all schools nationally will close after Friday 20th March 2020.

I know this raises lots of questions as to how the coming weeks and months will unfold.

Whilst we in school have been preparing for all eventualities, I know the scale and impact of this news will undoubtedly be causing anxiety and worry for many of my students and colleagues, in particular Year 11. Year 11 students have worked incredibly hard with their teachers and are almost ready for their exams and the celebration events which would've followed. I understand and share the disappointment and concern many of them will be feeling. As soon as I have more information on how students will be awarded their qualifications I will update you.

Furthermore, as detailed guidance is shared by the Government I will continue to update parents/carers accordingly, including how we will support children of key workers and vulnerable students.

Please continue to follow all advice and precautions and I wish you, your families and friends well in these uncertain times.

Look after each other,

Mr Snelson

Principal
