The
COUNTY
HIGH SCHOOL
Leftwich

Good afternoon,

Firstly, thank you for the support you are providing in helping to create a new normal for your children, enabling them to continue with their learning and development, during these far from normal times. To help with this, please find attached three documents:

- Google Classroom guide - for those students who've had work set via this platform
- My "Virtual" Assembly for this week - I emailed this to the students earlier today
- Learning from Home presentation – a practical guide to help make home learning as successful as possible. Year Leaders will also share this with their year group over the coming days

Please also read carefully the email copied below from Cheshire West and Chester.

"Scam around Free School Meals

*Some Schools have already reported that parents and carers of children in receipt of free school meals are being targeted by fraudsters. Fraudsters are targeting families, emailing parents and carers with messages such as 'If your child is entitled to free school meals send your bank details to the school and they will help with funding while the school is closed'. The email contains links for the parents to follow if they want to receive this funding – **these links are fake.**"*

Finally, I'd like to thank all those parents/carers who have taken the time to provide words of thanks and support over the last week. They really do mean a lot to me and to my colleagues.

Continue to look after yourselves and each other.

Mr Snelson
Principal
