

Dear Parent/Carer,

This week we have been speaking to our students about what makes a successful Behaviour for Learning Culture. Reflecting on the excellent behaviour our students exhibit on a regular basis, we have been considering our current approach and feel that it is timely to pause and review the expectations we have. As such, we have redefined what this means for students and staff at The County High School, Leftwich.

Our ongoing aim is that students aspire to be the best version of themselves, taking pride in their achievements whilst preparing for success both during their time with us and beyond.

Therefore, we have **3 clear Behaviour Expectations** for our students:

1. Be Ready to Learn

*Attend regularly, punctually and dressed smartly;
Be organised and equipped;
Listen, question, think and work hard, showing initiative, commitment and resilience.*

2. Be Respectful and Safe

*Respect oneself, others and the environment;
Understand, appreciate and celebrate diversity, showing kindness and empathy;
Follow expectations for health and safety, acting responsibly to prevent risk of harm to oneself and others.*

3. Embrace Opportunities

*Participate in opportunities and enrichment activities in lessons and beyond;
Take on leadership roles and responsibilities;
Make positive contributions to our community and the wider world.*

By meeting these expectations, students will be fully equipped to develop their **knowledge** and **skills**; their **character** and their **creativity** and **imagination**.

In order to support students to develop their knowledge and skills; their character and their creativity and imagination and become the best version of themselves, members of staff are expected to:

1. Create a Positive and Ambition Learning Environment for All

Providing effective support and opportunities for success whilst promoting resilience, confidence and independence

2. Build Trusting and Respectful Relationships

Whilst maintaining effective, consistent and safe routines, modelling high expectations for students' behaviour, attitudes and personal development

3. Provide and Promote Enriching Learning Opportunities

Encouraging students to discover and develop their interests and talents, helping them to flourish as members of The County High School, Leftwich and beyond

As members of staff, by meeting these expectations with care and tenacity, we will grow a **culture of excellence** that raises each member of our community to be the best version of themselves.

As parents/carers, we look forward to your ongoing support in working with your child(ren) to reinforce the expectations we have, so that collectively, we can work together to achieve success.

Yours sincerely,

Mrs S du Plessis
Vice Principal
