

Overview of Home Learning in Year 11: Summer Term 1 (April-May 2020)

Although students are no longer preparing for their GCSE exams, we suggest that they try to create a plan for each day and, where possible, engage with the many resources we have made available. This is an important time, when students can consolidate knowledge and begin to focus on those subjects where their areas of interest and passion lie. As teachers, we remain keen to help and support wherever we can and therefore we have continued to provide resources which build bridges to post 16 education. Our goal is to see Year 11 thrive and grow by continuing to ensure that when our students arrive in new establishments in September, they are ready for this next step and primed for success.

For help with home learning and accessing Google Classroom please visit the school website http://www.leftwichhigh.com/news/news_coronavirus_guidance_support_2020.html . It may be worth allocating some time to go through emails to check that students have joined all of the classes. In addition to the pastoral support students are receiving, those with additional needs have access to further assistance from the Learning Support Team. Please make contact if we can offer any support

We know that working independently at home is quite different to school, particularly for Year 11. We are working hard to ensure that all students get the very best grades they can, in line with the outstanding academic record of previous cohorts at The County High School, Leftwich. We just ask students to have their best go and be proud of what they achieve. Staying safe and happy are the priority. For regular updates please follow us on Twitter [@leftwichhigh](https://twitter.com/leftwichhigh)

Subject	Where to find Lessons	Learning Focus and resources
Support & Resources	RM Launch Pad (Log in via the school website)	Go to http://www.leftwichhigh.com/ Click the envelope icon. Log in using school username and password. All learning resources can be found here: Google Classroom; SAM learning; Seneca; MathsWatch; ActiveLearn; Accelerated Reader: For support please contact: passwordreset@leftwichhigh 'First News' – newspaper for students, available on the website.
Year Leader	Daily email Google Classroom.	Daily emails to students that direct them to the Revision Hub/ Post 16 resources. A summary of what is available for Vocational and A –level qualifications has also been sent to students, tutors and parents (via in touch). Colleges have also been contacted for any resources that they can provide.
Art & Photography	Google Classrooms	Continue to develop and refine creative skills ready for the next stage of your education. Try and refine a skill or technique that you found particularly hard. Look at/complete and develop your sketch books. Take photographs that inspire you.
CC&M	Google Classroom	PiXI Resources on a range of subjects for vocational and Computer Science.
D&T	Technology student.com YouTube	GCSE D&T – Continue to look at Technologystudent.com following the field of D&T that interest you or maybe the watch BBCs Great British Sewing Bee (Weds 8pm BBC2). Keep practising your practical skills where you can and keep up your 2D design drawing skills. A copy can now be downloaded from the internet for free. (Email Miss Whitfield for the pass code). GCSE Food Preparation & Nutrition - Use YouTube to follow your favourite chef, perhaps Jamie Oliver or Gio. Delia online is also a very good course to follow for practical skills. Remember perfecting bread, pastry, pasta, sauces and cakes are the core skills. Just keep making good food!
EfL and Careers		Students should have at least 1 conditional offer from a post 16 provider (which is in addition to any apprenticeship offers.) If students are struggling to find a course and need help applying, please contact Mr Kinder for support. If Students are considering an apprenticeship many are still available and can be found at www.gov.uk/apply-apprenticeship . START profile has activities to help improve employability on the website and specific tasks relating to Lock Down. www.startprofile.com . Our school code is 40415 . Further careers support is available here: https://learnliveuk.com/partner/cheshire-and-warrington-lep/ Students are encouraged to look at the financial management and advice here: https://natwest.mymoneysense.com/students/students-16-18/
