

## Overview of Home Learning in Year 11: Summer Term 2 (May-July 2020)

Although students are no longer preparing for their GCSE exams, we suggest that they try to create a plan for each day and, where possible, engage with the many resources we have made available for A-Level and Vocational routes, including those wishing to pursue an apprenticeship. This is an important time, when students can consolidate knowledge and begin to focus on those subjects where their areas of interest and passion lie. As teachers, we remain keen to help and support wherever we can and therefore we have continued to provide resources which build bridges to post 16 education. Our goal is to see Year 11 thrive and grow by continuing to ensure that when our students arrive in new establishments in September, they are ready for this next step and primed for success.

For help with home learning and accessing Google Classroom please visit the school website [http://www.leftwichhigh.com/news/news\\_coronavirus\\_guidance\\_support\\_2020.html](http://www.leftwichhigh.com/news/news_coronavirus_guidance_support_2020.html). It may be worth allocating some time to go through emails to check that students have joined all of the classes. In addition to the pastoral support students are receiving, those with additional needs have access to further assistance from the Learning Support Team. Please make contact if we can offer any support

We know that working independently at home is quite different to school, particularly for Year 11. We are working hard to ensure that all students get the very best grades they can, in line with the outstanding academic record of previous cohorts at The County High School, Leftwich. We just ask students to have their best go and be proud of what they achieve. Staying safe and happy are the priority. For regular updates please follow us on Twitter [@leftwichhigh](https://twitter.com/leftwichhigh)

Subject	Where to find Lessons	Learning Focus and resources
<b>Support &amp; Resources</b>	RM Launch Pad  (Log in via the school website)	Go to <a href="http://www.leftwichhigh.com/">http://www.leftwichhigh.com/</a> Click the envelope icon. Log in using school username and password. All learning resources can be found here: Google Classroom; SAM learning; Seneca; MathsWatch; ActiveLearn; Accelerated Reader: For support please contact: <a href="mailto:passwordreset@leftwichhigh">passwordreset@leftwichhigh</a> 'First News' – newspaper for students, available on the website.
<b>Year Leader</b>	Daily email  Google Classroom.	Daily emails to students that direct them to the Revision Hub/ Post 16 resources. A summary of what is available for Vocational and A –level qualifications has also been sent to students, tutors and parents (via in touch). Colleges have also been contacted for any resources that they can provide.
<b>Art &amp; Photography</b>	Mrs Berry's emails Google Classrooms	Continue to develop and refine creative skills ready for the next stage of your education. Try and refine a skill or technique that you found particularly hard. Look at/complete and develop your sketch books. Take photographs that inspire you.
<b>CC&amp;M</b>	Google Classroom	PiXI Resources on a range of subjects for vocational and Computer Science.
<b>D&amp;T</b>	Technology student.com  YouTube	<b>GCSE D&amp;T</b> – Continue to look at Technologystudent.com following the field of D&T that interest you or maybe the watch BBCs Great British Sewing Bee (Weds 8pm BBC2). Keep practising your practical skills where you can and keep up your 2D design drawing skills. A copy can now be downloaded from the internet for free. (Email Miss Whitfield for the pass code). <b>GCSE Food Preparation &amp; Nutrition</b> - Use YouTube to follow your favourite chef, perhaps Jamie Oliver or Gio. Delia online is also a very good course to follow for practical skills. Remember perfecting bread, pastry, pasta, sauces and cakes are the core skills. Just keep making good food!
<b>EFL</b>	Google Classroom	Resources are in the Year 11/12 Google Classroom. There are resources there on how to log into START and make the best use of it as you prepare for your next step in your educational journey. We recommend going to "Featured Articles" first, as these have been created to support you during this time. The videos from the Careers Festival are still available at <a href="https://learnliveuk.com/paving-the-way-virtual-careers-festival/">https://learnliveuk.com/paving-the-way-virtual-careers-festival/</a> and contain

		lots of useful information about local sectors and colleges. The resources supporting the festival are also still in the Google Classroom.
<b>English</b>	Google Classroom [Y11/12: s4cl25o]	Students have been provided with materials to best support their preparation for studying KS5 English Language or Literature on the Y11/12 Hub [English > A-Level].
