

GCSE D&T 2022 – Topics and Revision

One examination of 2 hours, worth 50% of the full GCSE.

For this year's examination, AQA have said longer answer questions will be based around the following topics:
--

- | |
|---|
| 1. Selection of materials or components |
| 2. Ecological and social footprint |
| 3. Specialist techniques and processes |
| 4. Environmental, social and economic challenge |
| 5. Communication of design ideas |
| 6. Prototype development |
| 7. Material management |

Please note: multiple choice and one mark questions can ask for information from the full curriculum.

Revision

Information for each area is available on **Google Classrooms**, in addition to the work in exercise books.
