

The COUNTY HIGH SCHOOL *Leftwich*

Achieving Excellence

Principal Mr M Snelson BSc (Hons), PGCE, MSc

May 2022

Dear Parent/Carer,

Firstly, well done to Year 11 for how maturely they have approached their first week of GCSE exams. They have shown real focus and we are all proud of them. I know they will keep up this focus and maturity over the next five weeks, continuing to show the examiner what they know!

Secondly, you may be aware that the current Chief Executive Officer of The Sir John Brunner Foundation retires as the end of the current academic year. I am honoured and excited to have been appointed the new Chief Executive Officer from the start of the next academic year.

This does mean I will be leaving my post as Principal of The County High School Leftwich at the end of this academic year. It has been a privilege to have been Principal of such an exceptional school. My new role means I will be working very closely with the school, supporting and challenging the leadership team and all colleagues to continue to ensure The County High School Leftwich maintains its high standards through delivering even more joyous and rewarding experiences for our students.

We have already begun preparing the process of recruiting a new Principal. We will update you once this process is complete. Whoever we appoint will be extremely lucky to work with such amazing students, supportive parents and talented and hardworking colleagues. Myself and our Governors and Trustees will ensure that the new Principal is of the highest calibre and the right fit for this fabulous school.

Mr Snelson
Principal
