## **ONLINE Year 11 Progress Evening – Thursday 1<sup>st</sup> December 2022 (4:00pm – 7:30pm)**

Dear Parent/Carer,

We would like to invite you and your child to our online Year 11 Progress Evening on **Thursday 1<sup>st</sup> December 2022**. The evening, which will run from 4.00pm to 7.30pm, will give you the opportunity to meet your child's teachers and to discuss progress in their subjects at a very important stage in this final year.

There will be a Mock Results Day on Monday 28<sup>th</sup> November when predicted grades will be shared with students, based upon performance in ST1 along with the summary lesson monitor data. We hope that this process will keep you best informed about your child's progress and enable you to support them effectively during this time.

At the online Progress Evening, Subject teachers will outline what progress has been made at ST1, how well your child is working and what the areas are that they need to focus upon to be successful in the summer. Teachers will outline the curriculum and revision focuses for rest of the year so that students can prepare effectively in school and can be supported at home. Additional intervention is available in all subjects and teachers may encourage your child to attend sessions in the run in to the exams.
