Dear «Parental_Salutation» «Parents_Surname»

Transition to The County High School, Leftwich

Welcome to The County High School, Leftwich. I am really pleased that we have been able to offer a place to «Child_Forename» «Child_Surname» for September 2023 and thought you would appreciate some information about the forthcoming transition arrangements.

You are invited to school on Thursday 20th April 2023 at 6.00pm when Senior Staff will begin to demonstrate how our values of 'Aspiration, Kindness and Pride' begin with our approach to transition. Information will be shared on how we will get to know your child whilst they complete their final months at Primary School and advice on how best to prepare for High School. Details of our Transition Project will be discussed and how tutor groups across the year group are created. There will be an opportunity for you to find out about practical arrangements such as our cashless catering system and the process for ordering our school uniform. We request children **do not** attend this event.

Now that places have been confirmed, over the coming weeks, Mrs Marklove, Year 7 Learning Leader will be making contact with all students and their Year 6 teachers in order to discover more about them, their learning and their aspirations. Mrs Marklove will show your child a short film of Life at Leftwich and leave them with a Guide to Transition to read and share with you at home.

A further **parent and student** information evening will be held on Thursday 22nd June at 6.00pm. Details of this event will be sent out in June.

To assist in the smooth transition from Primary to Secondary School, all students are invited to attend The County High School, Leftwich, for a two-day induction visit on Thursday 6th and Friday 7th July. Again, details will follow.
