2023's GCSE results have once again sustained the School's exceptional student outcomes. Students' grades reflect their commitment to learning and aspiration and are built upon five years of the highest quality education, in a safe and caring environment. In April 2022 **Ofsted** visited and recognised our high standards and care, by confirming that we remain an **outstanding** school. Ofsted stated that, *'This is a friendly and welcoming school. Leaders and staff have very high expectations of pupils' achievement. Pupils benefit greatly from a broad, ambitious and exciting curriculum. They achieve highly and are exceptionally well prepared for the next stage of their education.'* We hope you can join us on Thursday 21st September to see this in action for yourself.

Parking will be difficult on the evening because of the number of visitors and there is no space on site. Please can I ask that you share transport wherever possible and show consideration to our neighbours if you park in the streets around the school.

If you are unable to attend, please visit our website and explore the information we have shared. Additionally, please follow, like and subscribe to our [Twitter feed](#), [Facebook page](#), and [website](#) to get a sense of life at The County High School Leftwich.

We hope that your **aspiration** is for your child to join us in the future and be welcomed as part of a school that we are **proud** of. We focus on creating a legacy of success for **all** students in a school where we act with **kindness** and have a strong sense of belonging.

Yours faithfully,

Mr R Warburton
Headteacher
