\* Bank Holidays

By the end of Year 7 (Target Grades 1L – 4L)

**GW:** Students can demonstrate an understanding of key information and opinions from short texts. They can also produce several short exchanges in target language on familiar topics. They can translate simple sentence to and from target language. (Grade 1)

**BI:** Students can recognise main points and opinions from a variety of familiar topics. They can also produce exchanges, opinions and justifications from familiar topics. Additionally, they are beginning to use and recognise two tenses. They can translate simple sentences with some degree of accuracy. (Grades 2-3M)

**EW:** Students can understand information from a variety of short and longer texts and can recognise opinions and can work out meanings of texts in unfamiliar contexts. Additionally, students can produce and write short texts referring to present and future tense. They can translate simple sentences with confidence and are beginning to translate with accuracy. (Grades 3U-4L)

**GW:** Present tense verbs (I form); High frequency connectives; time phrases; opinion phrases; cognates

**BI:** Extension: other subject pronouns (he, she, we form);

**EW:** use of connectives, time phrases and opinions from different topics (e.g. sport)

	7	8	9
GW	Students can demonstrate an understanding of key information and opinions from <i>short</i> texts. They can also produce several short exchanges in target language on familiar topics. They can translate <i>simple sentence</i> to and from target language. (Grade 1)	Students can recognise main points and opinions from a <i>variety of familiar</i> topics. They can also produce exchanges, opinions and justifications from familiar topics. Additionally, they are beginning to use and recognise two tenses. They can translate simple sentences <i>with some degree of accuracy</i> . (Grades 1-2L)	Students can understand information from a <i>variety</i> of short and <i>longer</i> texts and can recognise opinions and can work out meanings of texts in <i>unfamiliar</i> contexts. Additionally, students can produce and write short texts referring to present and future tense. They can translate simple sentences with confidence and are beginning to translate with accuracy. (Grades 1U-3L)
BI	Students can recognise main points and opinions from a <i>variety</i> of familiar topics.	Students can understand information from a <i>variety</i> of short and longer texts and	Students are able to recognise a range of details from a range of texts,

Now that the revised curriculum has been taught, please consider the Implementation and Impact of the curriculum you taught. What changes might need to be made to the Curriculum Intent (See Curriculum Map and Overviews) in light of this year's experiences?

	They can also produce exchanges, opinions and justifications from familiar topics. Additionally, they are beginning to use and recognise two tenses. They can translate simple sentences with some degree of accuracy. (Grades 1-2L)	can recognise opinions and can work out meanings of texts in unfamiliar contexts. Additionally, students can produce and write short texts referring to present and future tense. They can translate simple sentences with confidence and are beginning to translate with accuracy. (Grades 2M-4L)	including 3 tenses and opinions additionally, students are beginning to produce and write longer texts and exchanges with confidence and can refer to at least 3 time frames. (Grades 4M-4U)
EW	Students can understand information from a variety of short and longer texts and can recognise opinions and can work out meanings of texts in unfamiliar contexts. Additionally, students can produce and write short texts referring to present and future tense. They can translate simple sentences with confidence and are beginning to translate with accuracy. (Grades 3U-4L)	Students are able to recognise a range of details from a range of texts, including 3 tenses and opinions additionally, students are beginning to produce and write longer texts and exchanges with confidence and can refer to at least 3 time frames. (Grades 4M-4U)	Students can recognise a range of texts on both familiar and unfamiliar topics. They can also recognise vocabulary from familiar topics in unfamiliar contexts. Additionally, students can produce a variety of longer texts with a variety of tenses with overall good accuracy, although not faultless. (Grades 5L-5U)

#### Prompt Questions

Now that the revised curriculum has been taught, please consider the Implementation and Impact of the curriculum you taught. What changes might need to be made to the Curriculum Intent (See Curriculum Map and Overviews) in light of this year's experiences?

Please revisit the prompts from last year:

- What are the Key concepts for this unit?
- How will it link to wider disciplinary knowledge/cultural capital: history, culture, authentic artefacts, music, art, literature?
- How does it build on prior knowledge and link to other units, concepts, years, GCSE?
- What is it intended students will have learned?
  - For each Unit? By the end of the Year?
    - GW: ; BI: ; EW
- Is it worth summarising in a knowledge organiser?
- **Assessment: how do you know they have learned the foundational concepts, curriculum and wider disciplinary knowledge? Does assessment look like GCSE light? Should it?**
- Skills used/learned
- Tier 2/3 vocabulary ((Etymology e.g. of Greek/Latin)
