### **1. Guiding Principles**

- 1.1. This policy has been formulated with regard to the SEND Code of Practice: 0 to 25 Years 2015, the Equality Act 2010 and the Children and Families Act 2014.
- 1.2. The County High School Leftwich is a school where we aim to encourage all students to enjoy, thrive and achieve, maximising their academic potential regardless of any barriers to learning. At this school all students are encouraged to develop their knowledge and skills, character and creativity and imagination in a fully inclusive and nurturing environment.
- 1.3. At The County High School, Leftwich, a special educational need is defined in accordance with the SEND Code of Practice: 0 to 25 Years 2015.
- 1.4. All students are entitled to access the school's full curriculum and to take part in every aspect of school life, unless there is a specified modification or disapplication outlined in an individual student's EHCP (Education, Health and Care Plan).

### **2. Terms:**

- 2.1. 'SEND' refers to a Special Educational Need and/or Disability. A person has SEN if they have a learning difficulty or disability which calls for special educational provision to be made for them. At compulsory school age, this means the student has a significantly greater difficulty in learning than the majority of others at the same age, or has a disability which prevents or hinders them from making use of facilities of a kind generally provided for others of the same age in mainstream schools. (Taken from SEND Code of Practice: 0 to 25 Years 2015.)

### **3. Objectives**

- 3.1. To identify, at the earliest possible opportunity, barriers to learning and participation for students with SEND
- 3.2. To ensure that every student experiences success in their learning and achieves to the highest possible standard.
- 3.3. To enable students to participate in lessons and the enriching offer across the wider school community fully and effectively and to have full access to external examinations.
- 3.4. To value and encourage the contribution of all students to take part in the life of the school, and so engaging in a rewarding and joyous experience.
- 3.5. To work in partnership with parents / carers.

- 3.6. To communicate with the Governing Body to enable them to fulfil their monitoring role with regard to the Policy Statement for SEND.
- 3.7. To work closely with external support agencies, where appropriate, to support the needs of individual students.
- 3.8. To ensure that all staff have access to training and advice to support quality first teaching and learning for all students.

There are two accessible toilets on the ground floor. The school has regard to the Equality Act 2010, the Children and Families Act 2014 and the SEND Code of Practice 2015: 0 to 25 years in terms of admitting students with disabilities.

- 7.3. Additional school funds support the management of SEND provision through the purchase of supplementary resources together with the training needs of key staff to meet the changing needs of the student profile.

## **8. Identification, Assessment and Review**

- 8.1. The County High School, Leftwich adheres to the SEND Code of Practice 2015: 0 to 25 years graduated approach with regard to the identification, assessment and review of students with special educational needs. The four key actions are:
- 8.2. **Assess:** the subject teacher, Year Leader, SENDCo and Assistant SENDCOs should clearly analyse a student's needs before identifying a child as needing SEN support.
- 8.3. **Plan:** parents / carers will be notified whenever it is decided that a student is to be provided with SEN support.
- 8.4. **Do:** the subject teacher remains responsible for delivering quality first teaching on a daily basis. Where any identified interventions involve group or 1:1 teaching away from the main teacher, the teacher continues to maintain responsibility for that student's learning.
- 8.5. **Review:** the effectiveness of the support should be reviewed at regular intervals.
- 8.6. Students may receive a differentiated curriculum with those at risk of not making the expected progress initially identified by subject teachers, the SENDCo and Assistant SENDCOs. The school has a system whereby any members of staff can raise concerns/issues with the Year Leader or SENDCo about a child with potential SEND or other barrier to learning. Communication with parents/carers and the young person in question are open and honest, sharing information on suspected barriers to learning in a timely manner.
- 8.7. The County High School, Leftwich uses a range of assessment data e.g. formative and summative teacher assessments, screening tests, SATs results, RAISE online, reading/spelling tests, WRAT and behaviour observations, together with relevant family/medical history, to determine where support is needed.
- 8.8. Students who are at risk of not making expected progress on the basis of accumulated evidence are monitored closely and may be placed on an Additional Needs Register. Parents / carers are consulted and kept abreast of the support to be put in place.

## **9. Additional Needs**

- 9.1. Individual progress is monitored by the SENDCo, Assistant SENDCOs, Subject Leader and Year Leader. Advice may be sought from external agencies to inform effective intervention. Support is closely monitored against short-term outcomes, agreed with students and parents/carers, and these are reviewed termly. If a student is at risk of not making expected progress, advice may be sought from external agencies which may include social as well as educational services. At this stage, an SEND may be identified.

## **10. Special Educational Needs**

- 10.1. If children are formally identified as having SEND and need additional support in order to access their learning, with the agreement of parents/carers, they are placed on the SEN register. A decision may be made to request formal assessment for an EHC Plan (Education Health Care Plan) or additional funding (TUF).
- 10.2. On gathering all relevant advice about a student's progress, the Local Authority SEN team may issue an EHC Plan outlining outcomes to be met and additional provision to be implemented.
- 10.3. All subject teachers have access to information about the needs of the students they teach identified as having Additional and Special Educational Needs through SIMS and student profiles, which document strategies to support specific needs.

## **11. Review Meetings**

- 11.1. For students with an EHC Plan, reviews will be held depending upon need. An Annual Review is also held to review progress towards objectives/outcomes outlined in the EHC Plan. A copy of the review report is sent to all invitees, including parents/carers, and the Local Authority SEN Team.
- 11.2. For children issued with a EHC Plan, there will be an additional review no later than 6 weeks after the issue date. The Local Authority SEN Team will be invited as well as any other external agencies.

## **12. The SEN Registers**
