1. Purpose of the policy

- 1.1. This policy details how The County High School Leftwich deals with an emergency evacuation of the exam room(s) by defining staff roles and responsibilities and confirming the emergency evacuation procedure.

2. When is an emergency evacuation required?

- 2.1. An emergency evacuation is required where it is unsafe for candidates to remain in the exam room. This might include a fire in the exam room, the fire alarm sounding to warn of fire, bomb alert or other serious threat.
- 2.2. In exceptional situations, where candidates might be severely disadvantaged or distressed by remaining in the exam room, the emergency evacuation procedure may also need to be followed. This might include situations where there is severe disruption in the exam room, serious illness of a candidate or invigilator or similarly serious incidents.
- 2.3. As each incident may be different, advice will be sought from the relevant awarding body as soon as it is safe to do so, particularly where the centre is concerned about the security of the examination(s). (ICE 25.4)
- 2.4. Where candidates are unable to return to the building to complete the examination, the relevant awarding body will be contacted immediately for advice. The awarding bodies have procedures in place to ensure that candidates are not disadvantaged where they are unable to complete the examination due to circumstances beyond their control. (ICE 25.5)

Emergency evacuation procedure
Actions to be taken (as detailed in current JCQ <u>Instructions for conducting examinations</u> section 25, Emergencies)
Should the fire alarm sound, stop the candidates from writing and await further instruction. Make a note of the time that the exam was paused.
Evacuate the examination room in line with the schools evacuation policy. The attendance register should be collected (in order to ensure all candidates are present)
Advise candidates to leave all question papers and scripts in the examination room Candidates must be advised to close their answer booklet
Ensure candidates leave the room in silence. Candidates will muster in the usual Year 11 area in tutor group order and remain in silence.
Ensure the candidates are supervised as closely as possible while they are out of the examination room so that there is no discussion about the examination. Deputy Head – (Quality of Education) and exams officer to assist invigilators and form tutors in ensuring candidates do not communicate.
Make a note of the time of the interruption and how long it lasted
Allow the candidates the remainder of the working time set for the examination once it resumes
If there are only a few candidates, consider the possibility of taking the candidates (with question papers and scripts) to another place to finish the examination
Make a full report of the incident and of the action taken, and send to the relevant awarding body
Additional centre-specific actions to be taken
