### **Invitation to Results Day – Thursday 21st August**

We would like to invite you to the Year 11 Results Day on Thursday 21<sup>st</sup> August to join staff in celebrating your child's success. Students can collect their results from the hall from 9:00am. Entrance will be via the doors next to the hall. Breakfast and refreshments will be provided to parents/carers and students during the morning.

We can only release results to students themselves. If your child is unable to attend, they will need to email Mr Ralph at [aralph@leftwichhigh.com](mailto:aralph@leftwichhigh.com) for further guidance.

If students have any concerns or questions about their results, staff will be available to provide assistance.

We hope you will be able to join us, with your child, on this important day.

### **College guidance – What to do when you receive your GCSE results**

#### **Sir John Deane's College**

##### **1. GCSE Results Day**

Step one of enrolment involves you securing your place at Sir John Deane's College.

On GCSE results day, Thursday 21st August, you must email your GCSE results to the college no later than 1.00pm. This should be an official document with your name and have the school's name or logo clearly visible e.g. a PDF, a scan or a clear photograph of your results slip taken on your phone. If we don't receive your results by this time, your place at the college will be at risk.

You will receive an email on Tuesday 19th August with clear instructions and an email address to submit your results.

### 2. Your Enrolment Appointment

Step two of enrolment will take place after GCSE results day. We enrol over a three-day period so that all families have the time and space to comfortably consider options. You will be given a face-to-face enrolment appointment on one of the following days:

· **Tuesday 26th August / Wednesday 27th August / Thursday 28th August**

You must be available to come into college on one of these dates to enrol in person. If you are unable to attend enrolment in person, for example, because you are away on holiday, you must let us know by emailing [admissions@sjd.ac.uk](mailto:admissions@sjd.ac.uk)

Parents are actively encouraged to attend enrolment, as we recognise they play a vital role in the success of students. During your enrolment appointment, you will meet with teachers to discuss your subject choices and confirm a programme of study that will set you up for academic success.

Three very important things you need for enrolment are:

- £65 contribution fee which covers your two years at Sir John Deane's (payable by cash or card)
- Proof of identity (preferably your passport, alternatively your birth certificate)
- If you received access arrangements at your previous school or have additional learning needs, please bring evidence that supports this to enrolment. You will have the opportunity to discuss your support needs.

### **Reaseheath College**

On 21<sup>st</sup> July candidates will receive a letter and email with their enrolment appointment date and time, this will be on campus.

What will happen during your enrolment appointment:

1. Your Course Manager will check your results and confirm your place.
2. **You'll receive your induction timetable for the first week and find out whether your first day will be 3<sup>rd</sup> or 4<sup>th</sup> September.**
3. We'll take your photo for your college ID card, so it'll be ready for your first day as a student.

4. Please do make every effort to attend your allocated enrolment date and time slot.

What should I bring to enrolment?

- **If you fall into the category of holding pre-settled or settled status**, or are 19 or over, a **form of ID is required** to complete enrolment (e.g. passport or photo-ID)
- Your **GCSE or other qualification results**
- Reminder - We are a cashless campus and only accept card payments

**Cheshire College South & West**

- All applicants will receive an email with their enrolment appointment, please contact the college if you haven't received this before results day. Applicants must attend their appointment to confirm their place at the college
- If a student doesn't meet the entry requirements of the course/college still attend the appointment as the college's careers team will be able to discuss all options available

**Warrington & Vale Royal College**

On GCSE Results Day, applicants are required to upload their GCSE results digitally before attending their enrolment appointment. To assist with this, we've created a short FAQs page and video guide, available at: [wvr.ac.uk/joiningus](http://wvr.ac.uk/joiningus)

**Enrolment at Warrington & Vale Royal College is in person.** If an applicant cannot make it for any reason, they MUST let our Admissions Team know as soon as possible, who will then advise them what to do. They will likely need someone to enrol for them on their behalf.

All applicants with offers will be invited in on Thursday 21<sup>st</sup> August and Friday 22<sup>nd</sup> August, but enrolment will continue in the w/c 25<sup>th</sup> August for 'walk-ins' who would like to enrol on courses with remaining places but have not yet applied.

### **Priestley College**

Enrolment takes place towards the end of August. You will be invited into college after you have received your GCSE results so that we can confirm you have met the entry criteria. It is at this point you will need to withdraw any applications made to other colleges.

If you don't get your GCSE grades don't worry. Please still attend your enrolment appointment and we will discuss the options that are still available to you.
