Access to Google Classroom and all apps/portals from home

Go to the school website <https://www.leftwichhigh.com/> and from the top menu bar click **MY TOOLS** then **REMOTE ACCESS**.

Log in using the same school username and password which is used to log into school computers.

Please note you cannot access Google Classroom for school with an account other than the school one. This may require you to log out of other Google accounts on the device.

Student can gain access to classes within **Google Classroom** in different ways:

- They can be invited to join a class – access Google Classroom and there should be different tiles for the classes they have been invited to join – click on Join
- Students may be emailed a link to join a class (mail is accessed via the RM Unify Launch Pad)
- There may be a code to join a particular class. Go to Google Classroom click the '+' symbol to join a class and enter the class code provided

Some departments also add students to Microsoft Teams (Science and MFL for example) where there are shared resources. Microsoft Teams is also accessed via the RM Unify Launch Pad.

Other apps/portals used by the school can be accessed from the RM Unify Launch Pad. Log ins for those if prompted:
